

YOUTH GROUP NEWS

What a wonderful group of youth that we have here at our church! I feel so blessed to be a part of each of their lives. The group is certainly taking part in growing our ministry and reaching out to new families and encouraging one another in Christian love.

Youth Sunday was so much fun! I was so proud of all the hard work that they put into making it such a wonderful event. I could certainly feel God's love all around us. Thank you to everyone who helped. A special thanks to Kay Walker and Caleb Fouse for helping make it such a success! The kids really feel blessed to be a part of a community where they feel safe and loved enough to be themselves. They are really excited to make a difference in our congregation.

We have many exciting events coming up, please watch for details in future emails and calendars. We will be traveling to Tulsa, OK on Feb. 4th-5th! Please look at your calendars and plan on attending Planet Wisdom with us. This will be a life changing event for the youth, one that they will always remember. I can still remember as a youth traveling to these conferences and how they changed me and my walk with God. It was such a spiritual moment. It was a change for me to get away from the everyday pressures of life and put into perspective what God had in store for me. I think that each one of the youth will be touched and inspired by this wonderful opportunity. Please consider sending your child. If you have any questions please see me as soon as possible. The deadline is quickly approaching.

The youth would like to shout out a huge THANK YOU to our congregation for all the love and guidance they give us everyday. Have a wonderful Holiday season!
